

How did the WSIB get a surplus?

Follow the Money:

Ontario's WSIB: Richer than you think...

Source: WSIB Annual Reports

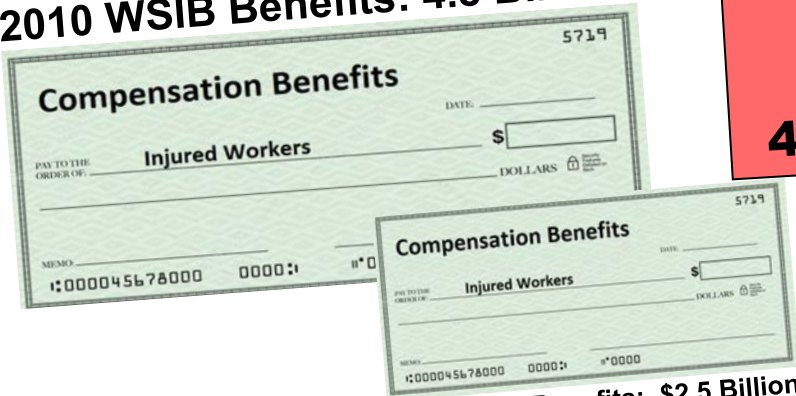

WSIB Assets More than Doubled

2020

2010 WSIB Benefits: 4.8 Billion

2020 WSIB Benefits: \$2.5 Billion

2020: Injured Workers Benefits Cut in Half
45% in poverty, unemployed

Employers Paid Less Every Year

A collage of news articles and website screenshots. The articles include:

- "Ontario's WSIB cuts employer premium rates by almost 30 per cent" (Pulp & Paper Canada, Sept 28, 2018)
- "WSIB reduces 2017 rates as much as 14 per cent for several construction sectors" (Ontario Construction Report, Oct 5, 2016)
- "WSIB reduces average premium rate by 17 per cent for 2020" (Cision, Oct 2020)
- "WSIB reduces average premium rate by 5.1% in 2022" (WSIB Ontario website, Oct 6, 2021)

The website screenshots show headlines like "Big News for WSIB rates!" and "WSIB reduces average premium rate by 5.1% in 2022".

Who should benefit from this surplus?
